Investment Policy

SEB Global Property Fund was designed as an income-orientated fund with Europe as its focus of investments.

SEB Global Property Fund's three-year dissolution period started on 5 December 2013 and the issuance and redemption of fund units has been irrevocably suspended. The fund was transferred to the Custodian Bank as of the end of 5 December 2016. With the last properties recorded as disposals on 1 September 2017 all properties of the former real estate portfolio are sold. The Fund no longer holds any properties. Sufficient liquidity reserves must be retained to meet all obligations (taxes, warranties, etc.) until the Fund is finally wound up. Further distributions will be made once the risks have declined over time and reserves can be released.
